

The Unit Leaders Role?

The Unit Leader's role is critical to the success of the youth leader in implementing his/her goals.

The Unit Leader must approve the youth's application.

How is the course setup?

The patrol (team) method is used extensively throughout the training. Patrols (Teams) are on their own to set up campsites, cook meals and carry out other activities without direct adult supervision. A Troop Guide (Team Guide) is assigned to each patrol (team) to advise and be a resource to the participants throughout the learning process. The Troop (Group) setting provides an opportunity for youth to practice the newly learned skills providing the home unit with improved effectiveness and enthusiasm from the youth leaders. Troop (Group) instructors will help guide this learning. The training guidelines and rules are the same for those found in the Scout Oath and Law, the Venturing Code and Oath, the Outdoor Code, and other national and council practices and procedures.
